

How does it work?

Sign up it's easy!

Download Geo-IF App with the full itinerary and study the route ahead of you.

Register online at www.imolafaenza.it and sign up by paying the fee and accepting the regulations.

Through the app, choose and book where to eat and sleep and the services you might need along the way, such as luggage transportation or expert cycling guides who will lead you through the beauty of this adventure.

Manage the stages as you please: you can start at Enzo and Dino Ferrari Racetrack in Imola (with parking, changing rooms, bike rental and technical support, luggage transfer, tourist information) or everywhere else on the route.

Pick up your Welcome Pack at Imola Racetrack, at Riolo Terme or Faenza Tourist Offices and receive all the information and a small gift.

Take your time: there are no time limits to complete the ring, every moment of the year is perfect to go for a ride on this route.

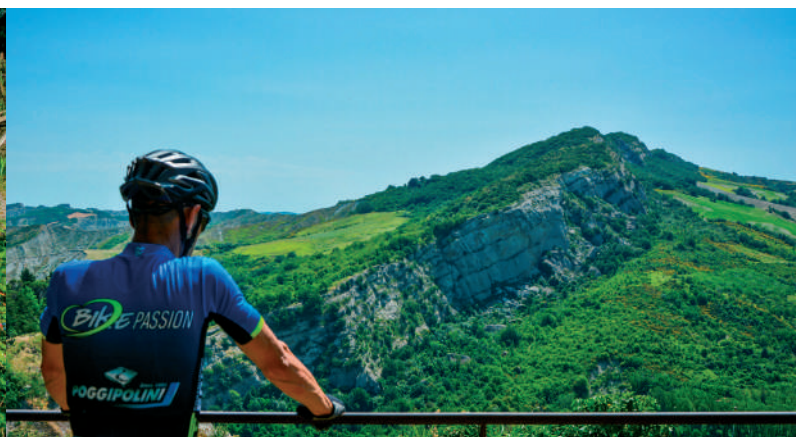

Start your adventure! Enjoy challenging uphill, new landscapes behind every bend and the satisfaction at the end of the day. Do not forget to snack on local products, relish the panoramic views from the medieval towers, experience life in Romagna quiet villages and relax in the thermal baths.

Make sure to go through all the 5 check points:

- Imola Racetrack
- Castel del Rio
- Monte Mauro
- Fontana Moneta Lodge
- International Museum of Ceramics in Faenza

Your passages will be registered and you will receive a prize and the diploma of certification!

Not to be missed

- Regional Park of Vena del Gesso Romagnola
- Historical hamlets of Dozza, Brisighella, Riolo Terme, Borgo Tossignano, Casola Valsenio and Castel del Rio
- Augusto Rinaldi Ceroni Herb Garden in Casola Valsenio
- Gothic Line and War Museum in Castel del Rio
- Riolo Terme and Castel San Pietro Terme thermal baths, the Romanesque churches, fortresses and castles
- Art cities of Faenza (International Museum of Ceramics) and Imola (Caterina Sforza's Fortress)
- Food and wine: local DOP and IGP products, Emilia Romagna Regional Wine Cellar in Dozza and the many farms, where to taste and buy typical products
- Enzo and Dino Ferrari International Racetrack

new lands and places
on a MTB or a Gravel Bike

The certification

Romagna4Bike - MTB & Gravel Trail is a permanent route, accessible all year round under every weather condition thanks to chosen paths, that always grant safety.

The ring itinerary is perfect for every cyclist and develops on mixed grounds: **70% secondary asphalt roads, 23% gravel "white" roads and 7% trails** uphill and downhill with a positive difference in altitude of 5400m through woods, hills and badlands.

The start is possible at every spot located on the itinerary, what is important is to close the ring of 216km to be accredited with the Romagna4Bike certification and pick up your diploma and prize. Ideal starting point is the IF Tourist Hub in Enzo and Dino Ferrari International Racetrack in Imola.
